He has been residing in Soda Springs for three years past, to regain his health. We always welcome our family friends. **JOHN H. MORGAN.**

One of the best new-papers we have received as an exchange is the **FARMER & DEALER**, published in San Francisco. It is an eight page live farmer paper, brim full of interesting matter and just meets the wants of western coast farmers, as well as dealers.

Rev. Mr. Parks of Logan, will hold divine services at Franklin next Sunday evening at 7 p.m. at the new school house. The Presbyterian mission is perfecting arrangements to purchase the school building lately erected by some of the more liberal citizens of Franklin.

**The House.**  
The Turn Verin Hall will be used by the house of representatives, at the coming session, which Capt. B. Grant is now fitting up for the purpose.

**How Happiness is Secured.**  
Happiness is the absence of pain or annoyance, and wherever there is pain there is disease. A pain in the lower portion of the body indicates a disorder of some kind. If there is any odor or color or deposit in the urine it means disease, and requires attention at once. We have heard many of our friends, of our friends, speak of the remarkable power of Warner's Safe Kidney and Liver Cure and are convinced there is nothing so certain and reliable for all disorders of the urinary system, both male and female.

**NOTICE.**  
Those of our readers desiring steady and profitable employment, or valuable reading matter cheap for 1881, should send 15 cents to the FRANK LESLIE PUBLISHING CO., 10 Day Street New York, for a complete set of their publications and illustrated Catalogue, containing list of premiums, &c., or \$1.00 for a complete set of 12 books of valuable information, containing over 500 pages. Mr. Kendall's eminent Treatise on the Horse and his Diseases, with ample copies of all our publications, &c.

**NOTICE OF HOMESTEAD PROOF.**  
LAND OFFICE at OXFORD, T. T. December, 13th 1880.

THE BRITISH MINISTRY.

The Composition of the Cabinet—The Possibilities and the Changes.

What is called the ministry has never been recognized by law, but generally the members of a cabinet are announced simply as members, and are not appointed to any office.

A few years ago I took charge of the ministry in Texas, which at that time was in bad condition. For several months I was kept very busy in trying to bring order out of chaos, and all my time had to be devoted to the affairs of the state.

As I finished the letter, he again broke out. "Well, Smith, what do you say? Can you give me a position?"

"I picked it up and read it, and found it to be a letter of introduction, saying the bearer was a trustworthy man, and that he was a member of the cabinet."

"The young man looked at me a second, and then turned and left. A moment later he returned and said, 'Come in.'"

"I bowed and said, 'Yes, sir.' He then asked me if I had leisure to look over it."

"I followed him, called him back, and gave him a position in the ministry. He has since been promoted, and now he occupies one of the most responsible and best paying positions in my employ."

Working Well a Broken Arm. Monday William Taylor, a blacksmith, was at the workbench when he received a heavy blow upon his left arm by a hammer which fell from the ceiling. He was thrown to the ground, and his arm was broken.

People in Glass Houses, Etc. While it is true that the cabinet is a glass house, it is not true that the members of the cabinet are in a glass house.

A Student's Testimony. One day I was in the office of the principal of the school, and he was talking to me about the school.
