Superintendent's Message

TO THE MALAD HIGH SCHOOL STUDENTS:

If you are to meet the challenge of planning, citizenship, and democratic living, you must have specific preparation. You have reached a point in that preparation where the door has been opened to you for service to your fellow man. You will identify yourself as you take advantage of your opportunities to serve in the communities where you may reside.

Always keep this philosophy in mind: Give the best you have, and the best will come back to you.

Happiness comes to those who render worthwhile service to others.

John Barrymore once said, "After stumbling around for years looking for contentment I suddenly learned that you cannot find it by hunting furiously for it. Happiness sneaks in through a door you didn't know you left open."

Charles P. Simpson

Principal's Message

The MIRROR . . . The Treasure House . . . of fond memories of yesterday. A page from many books of life. Each page will recall a forgotten face, a happy dance, a pleasing assembly, or an event never to be forgotten.

As you turn these pages in this book of life, I hope you will always remember the happy days of your school life. For each of you pass this way but once . . . and may it always be said . . . that these pages truly represent each of you and your life in a way that you may say . . . "This is a page of my life . . . well done."

BON VOYAGE

And so we come to the end of another chapter in our lives! The Senior Class has graduated.

Its members will soon take their places in a world full of things to be done, problems to be solved, races to be run, challenges to be met!

There is much Good in the World; it is our Duty to support it, to sustain it, to strengthen it! Then, too, there is Evil — a powerful force which Stalwart Men and Women must face, conquer, and destroy!

None of us knows exactly what the future will bring, but this we know — it will bring opportunities for service. May all of us be ready when these opportunities present themselves!

We look forward to many good and great things from the Class of 1956 — Success, Triumph, Victory — Service to your God, your Flag, your Fellow Man.

To the Graduates we address Longfellow's famous lines:

"Our hearts, our hopes,
are all with thee,

Our hearts, our hopes, our
prayers, our tears,

Our faith triumphant o'er
our fears,

Are all with thee, — are
all with thee!"

Malad days have been happy
days, and their memory will
live on forever. Of that we are
sure!

Ave atque vale! Hail and
farewell!

—Walter Thoresen

*Hail
and
Farewell!*

*That's All, Folks! We Hope You
Like the 1956 Mirror! Good Luck!*
