HERE WE HAVE THE

1957 MIRROR

MALAD HIGH
SCHOOL

MALAD CITY,
IDAHO

HERE WE HAVE IDAHO

1. You've heard of the wonders our land does possess,
Its beautiful valleys and hills;
The majestic forests where nature abounds,
We love ev'ry nook and rill.

Chorus

And here we have Idaho . . .
Winning her way to fame . . .
Silver and gold in the sunlight blaze,
And romance lies in her name . . .
Singing, we're singing of you,
Ah, proudly, too; All our lives thro', we'll go
Singing, singing of you,
Singing of Idaho . . .

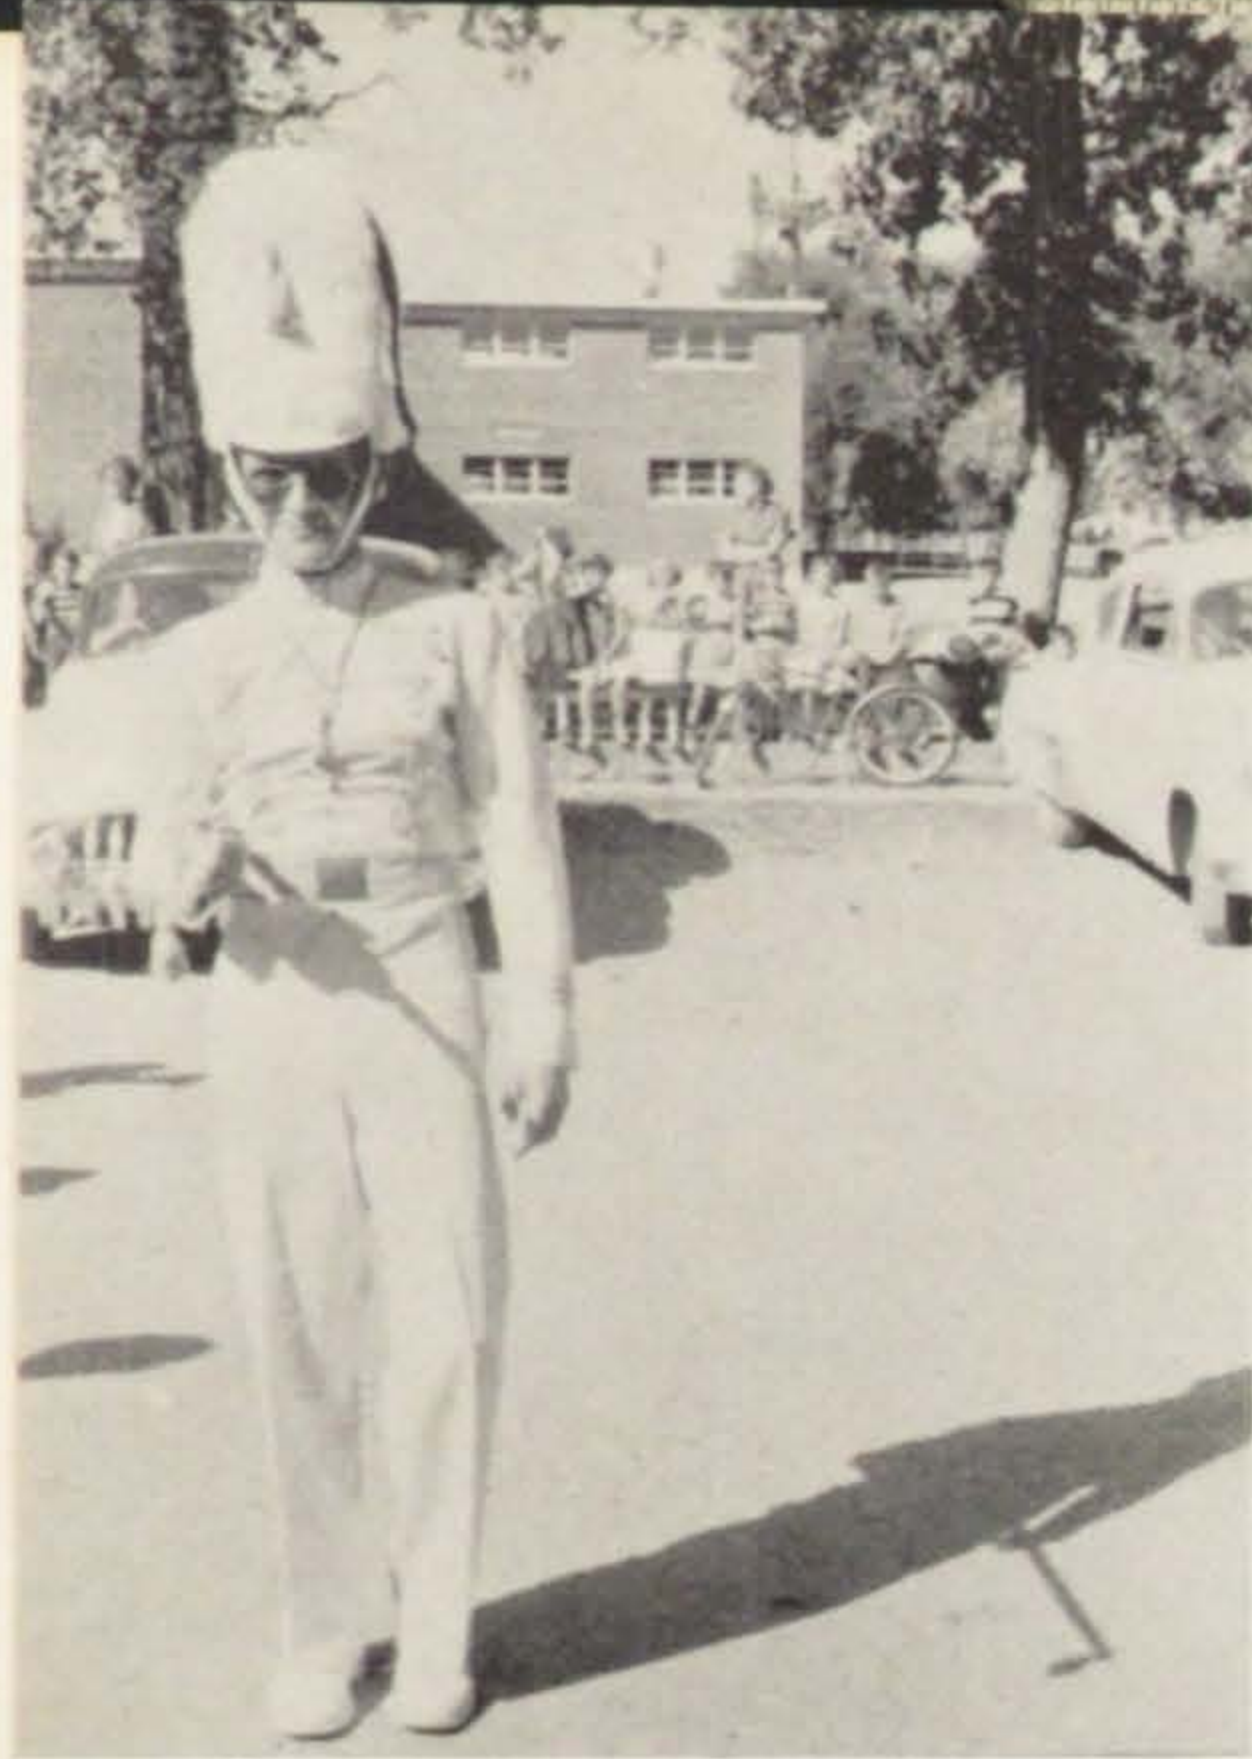

2. There's only one state in this great land of ours,
Where ideals can be realized;
The pioneers made it so for you and me,
A legacy we'll always prize.

Verses by Albert J. Tompkins

Chorus by McKinley Helm

SUPERINTENDENT'S MESSAGE

This volume has been prepared for two reasons: It is to serve as a record of your own activities and as a reminder of the many friends you have had the privilege of making while here at school. As the years pass by, may all of your memories be happy ones. May you always look back upon a job well done because of your own efforts. Always remember that you grow by giving of yourself; that which you give comes back ten-fold. May happiness be yours because you have earned it.

Charles O. Simpson

PRINCIPAL'S MESSAGE

The MIRROR — the Treasure House of everlasting memories. As the years go by, this book will act as a mirror of your high school life. It will provide many fond memories of faces, dances, and organizations. As each page remind you of happy times. As each page beckons to you to return in memory to your high school days, may it be with a deep sense of satisfaction in a job well done.

SENIOR CLASS WILL

While looking around in the attic of mine,
I found this will; it was really divine.
It was tattered and torn with holes in the sides.
It was cute and so smart that I could not decide
To put it back or give it to you,
But my friends told me just what I should do.
So, here is the Will of the Year '57,
We hope it will last till we're all sent to Heaven!

—Margene Williams
