1949

Dear Maybell,

I will always remember our association. You are really one swell girl. Success happens always.

A Friend,
Sue Daniels

Dear May Bell,
Lack to a swell kid. Be careful with all the boys hints.

Joey

Dear May Bell,
I'm a wonderful girl + a fellow of my motto all the hope we can always remain friends.

Dear May Bell,
Best of wishes always to a swell friend. Be good to Ken me when you remember American year. I think we've 64 questions. A Friend,
Blonia

Dear Maybell,
Well, kid, another year is almost over and I am all stupid as ever as far as school goes. It's no fun our disputes as far as the (Hogwarts) go, but we're not fun too. You're a nurse the best and nicest of the system. There's nothing turning out O.K. in G.W.??
No more,
(2 yellow envelopes)

Joey
Lucky

Dear Maybell
You are one swell girl and I've really enjoyed knowing you this past year but I hope to know you even better next year. Don't forget me while you are off in Boise and I won't forget you. Just think of me down here all alone with all the days pass me. Don't forget our big American History Party and our fairy good parties. It's wishing you the best of everything in your future years.
Love,
Joey

Dear May Dell,
 May success and
 happiness always come
 to you, as you are a
 swell kid and deserve
 it. You have been a
 swell friend and class-
 mate. Best luck always.
 A friend,
 Connie Clark

Dear May Dell,
 Success to you
 always. Good Luck
 next year.

Dedication

To those students of Malad High whose loyalty and support of their school deserves the best of recognition, we dedicate this yearbook, the 1949 Mirror.

Foreword

Another year has passed. It is hard to realize that in the years to come, there will be many who will be in our places. Others experiencing the everlasting strain of classes. Take this yearbook, the Mirror, and may it reflect all your memories of those football and basketball games, boxing matches, music contests, skip days, dull classes, and the most cherished memories of them all, Graduation Day. These are not the only happenings which are now relived in our memories, there are many others of those glorious days at M.H.S.

EARL YEARSLEY
(Curly)
Give me a nickel pop
I want to be tough.

Listen dear students and you shall hear,
The doings of our sophomore year,
Twas nineteen hundred and forty eight,
And not a student was ever late,
to all the classes they loved so dear.

We hunted bugs and dissected them too,
bisected angles and answered questions few,
Worried our teachers and flunked exams,
Were sent to the office when we were in jams.

But through it all we had fun galore,
Now that its over we're asking for more,
As Juniors and Seniors we'll do our best
And to the Freshmen we leave the rest.

Malad opened the Fifth District Tournaments with a win over the neighboring Downey squad. The second game they dropped a ragged contest to Preston. Then in their third game they played the best ball of the entire season but were nosed out of the tournaments by the strong Snake River team. Eight of the team are seniors and will leave a vacancy in next year's line-up that will be filled by the up and coming under class men.

The Malad Dragon Boxers completed a very successful year in this sport by winning four, losing one, and tying three matches. They reached their climax in the final match of the season when they tied the strong Pocatello High squad which had previously defeated them. The Dragons under coach Thomas will enter the District Tournaments as one of the top favorites and should do very well in the competition.
